

MR. SPEAKER.—The Bill is passed. It is for the hon. Members and authorities concerned to examine it further. Next item. Sri Nagappa.

Mysore Education Cess (Validation of levy) Bill, 1969

(i) *Statutory Resolution*

(ii) *Motion to Consider*

SRI K. H. PATIL.—I am on a point of order. The disapproval is not for the Bill but it is for the ordinance. What I want to know is, when we are considering the disapproval motion we are to consider for what purpose the disapproval motion is brought. It is for disapproval of the ordinance. The hon. Member does not say it is for the Bill. So, while disapproval motion is to be considered the ordinance also should be taken into consideration.

MR. SPEAKER.—This is the procedure that is followed. The Bill that is to be introduced is to replace the ordinance. If there was no Bill, only the disapproval resolution would have been considered. But the Bill is to replace the ordinance. The provisions contained in manual are the same. In order to save the time of the House we are taking both the items together. So, the resolution will be put to vote before the Bill is put to vote. That is the procedure followed everywhere in India.

SRI M. NAGAPPA.—I move the statutory resolution :

“That this Assembly disapproves the Mysore Ordinance No. 4 namely ‘The Mysore Education Cess (Validation of Levy) Ordinance 1969’ promulgated on 19th day of July 1969 by the Governor of Mysore.”

MR. SPEAKER.—The motion is :

“That this Assembly disapproves the Mysore Ordinance No. 4 namely ‘The Mysore Education Cess (Validation of Levy) Ordinance 1969’ promulgated on 19th day of July 1969 by the Governor of Mysore.”

† **SRI H. N. NANJE GOWDA.**—I am on a point of order, Sir. Rule 288 (4) says :

“A member while speaking shall not

(iv) reflect on any determination of the Assembly except on a motion for rescinding it.”

By this Bill it is proposed to amend the Mysore Act 6, i. e., schedule and other things. Just now this Assembly has voted the Mysore
